\* Si registrano tutti i papiri presi in esame in CPF I.1 e III, anche se non riprodotti in questo volume.

Nel caso di frammenti dello stesso testo appartenenti a collezioni diverse, o di frammenti appartenenti ad uno stesso rotolo ma con numeri d'inventario diversi, la registrazione è stata effettuata seguendo la successione, sulla base del contenuto, indicata nel CPF. L'informazione completa viene fornita sotto il papiro citato per primo, a cui si rinvia per i papiri o per i numeri successivi.

Per ogni papiro si indicano il contenuto e gli autori per i quali è stato utilizzato. Nel caso di papiri utilizzati solo per testimonianze, queste vengono elencate di seguito, con l'eccezione, per comodità del lettore, dei PTura. Nel caso di papiri già editi nelle parti del CPF a cui il presente volume fa riferimento vengono elencate in corpo minore le ulteriori testimonianze per le quali sono stati utilizzati.

\* L'indice, con correzioni rispetto a quello dei relativi volumi del CPF, comprende soltanto i papiri a cui è stato assegnato un numero di serie. La freccia dopo fig. rinvia al volume del CPF in cui il papiro sarà riprodotto oppure al volume della collana «Studi e Testi per il Corpus dei Papiri Filosofici» in cui è

già apparsa una foto. Il segno —, che per alcuni PTura sostituisce il numero della figura, segnala che la foto non è stata disponibile. L'assenza dell'indicazione della figura dopo il numero di pagina indica che il papiro è stato preso in esame nel CPF soltanto sommariamente e non verrà riprodotto.
